

WIPE NEW® WATERLESS SPEED WASH

DESCRIPTION AND USES

Wipe New® Waterless Speed Wash is a quick and convenient way of cleaning light dirt and dust from your vehicle without the need for a hose & bucket. This spray and wipe lubricating formula lifts dirt away from the surface without creating scratches or swirl marks.

PRODUCT FEATURES

- Cleans vehicle without the need for water
- Improves shine and promotes water beading
- Works great on all exterior surfaces including paint, trim, wheels and glass
- Easy to use spray and wipe formula

PRODUCT

DESCRIPTION	SKU
22 oz. Trigger Spray	381402

PRODUCT APPLICATION

DIRECTIONS

(Read entire directions and warnings prior to use.)

1. Shake well
2. Starting at the top of the vehicle, liberally spray product on one section at a time and let soak for a few seconds.
3. Perform initial wipe with a microfiber towel to remove dust and dirt. Follow-up with a second microfiber towel to dry and buff to a high shine.
4. Do not let product dry before wiping.
5. Continue using this method around the entire vehicle.
6. Be sure to continue using the towel used on the initial wipe first and the second towel for dry and shine. Once towels become too dirty and product is streaky, switch to a clean microfiber towel.

NOTE: Be sure vehicle is cool to the touch. Do not apply in direct sunlight. For best results, use high quality microfiber towels and keep extra microfiber towels handy.
