	<b>WIPE NEW®</b> <b>SNOW FOAM CAR WASH</b>	

## DESCRIPTION AND USES

Wipe New® Snow Foam Car Wash offers the ultimate foam gun experience in a convenient all-in-one solution. This specially formulated wash delivers a streak-free, high-gloss shine with every use. The ultra-lubricating foam clings to your vehicle's surface, lifting dirt and grime without leaving scratches or swirl marks. For use on all exterior vehicle surfaces.

## PRODUCT FEATURES

- All in one car wash attaches directly to garden hose. No special equipment required
- Clinging foam loosens dirt and dust making the wash process quick & easy
- Rinses clean and will not strip previously applied waxes or coatings
- 30 oz. car wash cleans 6-8 average size vehicles

## PRODUCT

SKU	DESCRIPTION
387553	30 oz.

## PRODUCT APPLICATION

### DIRECTIONS

(Read entire directions and warnings prior to use.)

Before using be sure surface is cool to the touch. Do not apply in direct sunlight

### STEP 1 PRE-RINSE

Connect Wipe New Blast Snow Foam Car Wash to your garden hose. Turn on water by rotating the rear knob fully forward. Thoroughly rinse entire vehicle to loosen and remove any loose dirt.

### STEP 2 SUDS

With the water turned on, rotate the front knob forward to activate the car wash. Begin at the top of the vehicle and work your way down, applying foam to the entire surface.

**Do not allow foam to dry on the vehicle.**

### STEP 3-WASH

After applying foam to your vehicle, turn off the Snow Foam Car Wash and water. Begin cleaning with a wash mitt, starting from the top and working your way down. Remember to regularly rinse the mitt in a bucket of clean water. Once cleaning is complete, rotate the rear knob to turn on the water and rinse off any remaining foam. Finally, dry the vehicle using a clean, dry towel.
